

ALABAMA DEPARTMENT OF TRANSPORTATION

FOR IMMEDIATE RELEASE

July 30, 2014

TRAFFIC ADVISORY

Traffic on US 43 to be Shifted from MP 325.542 to MP 331.006, in Lauderdale County

LAUDERDALE COUNTY – Weather permitting, beginning Wednesday, July 30 at 10 a.m., the Alabama Department of Transportation will shift traffic on US 43 in Lauderdale County from milepost 325.542 to milepost 331.006 from the existing roadway to the newly constructed southbound roadway. This section of US 43 is north of US 72 in the town of Killen and continues north to the community of Green Hill.

Motorists are expected to travel on the newly constructed southbound roadway until approximately December 2014. During this time period, the contractor will be constructing turn lanes, extending a box culvert, and paving the northbound roadway.

Appropriate signage and traffic control devices will be in place during this period and motorists are urged to use caution in this area.

Motorists are requested to consider using alternate routes, adjust arrival/departure times, observe work zone speed limits and other work zone signs, and use extreme caution in this area. ALDOT thanks motorists for their patience during this construction to improve Alabama's roadways.

ALDOT's mission is to provide a safe, efficient, environmentally and economically sound transportation network across Alabama. For further information, visit www.dot.state.al.us.
